

Human-caused fires account for about 40% of all wildfires in the Northwest. In the western United States, the percentage is even higher.

The “Be Firewise About Wildfire” campaign will help you reduce your chances of starting a wildfire. On each of these cards, you will find helpful tips to prevent fires caused by the following:

- Campfires
- Debris Burning
- Fireworks
- Arson
- Children
- Smoking
- Off-Highway Vehicles
- Home Equipment

More wildfire prevention information, including how to protect your home from wildfire, can be found by visiting:
